Support and services may include imposing more structure in the youth's daily lives or providing a framework of accountability. Other initiatives may also be implemented that enhance public safety or address behavioral health needs. The secondary client is the public at large who benefits from OJJ staff working with youth in their community to increase safety and help produce contributing citizens.

The goals of the North Region are:

- I. To recruit, develop and retain a workforce focused on treatment and rehabilitative needs of our youth.
- II. To improve data resources and information sharing.
- III. To connect youth and families to appropriate continuum of care providers, including the Healthy Louisiana Initiative.
- IV. Increase collaboration with community stakeholders.

The North Region includes the following activities:

- Youth Care – Implement Treatment Services: Swanson Center for Youth and Columbia Center for Youth provide services to youths that have been adjudicated to secure care custody. When a youth arrives in secure care custody, an Individualized Intervention Plan (IIP) is developed for him by a multi-disciplinary team. The IIP is based on a risk-assessment and psychological evaluation and is designed to ensure that the youth receives needed services. The IIP is periodically reviewed and refined in order to ensure that the youth makes continuous progress.
- Implement Supervision Services: The Regions provide probation and parole supervision, residential and non-residential treatment services for adjudicated youth, status offenders and their families while protecting public safety.

Program Authorization: R.S. 15:901-910, R.S. 46:1901-1923; R.S. 15:921

Program Description

The Central/Southwest Region is comprised of: Acadiana Center for Youth (ACY), Picard Center, Opelousas Regional Office, Lafayette Regional Office, Natchitoches Regional Office, Alexandria Regional Office and Lake Charles Regional Office.

The mission of the Central/Southwest Region is to ensure OJJ Secure Facilities and Probation and Parole Offices provide services and support to youth and their families who need help redirecting their lives toward responsible citizenship. Support and services may include imposing more structure in the youth's daily lives or providing a framework of accountability. Other initiatives may also be implemented that enhance public safety or address behavioral health needs. The secondary client is the public at large who benefits from OJJ staff working with youth in their community to increase safety and help produce contributing citizens.

The goals of the Central/Southwest Region are:

- I. To recruit, develop and retain a workforce focused on treatment and rehabilitative needs of our youth.
- II. To improve data resources and information sharing.
- III. To connect youth and families to appropriate continuum of care providers, including the Healthy Louisiana Initiative.
- IV. Increase collaboration with community stakeholders.

The Central/Southwest Region includes the following activities:

- Youth Care – Implement Treatment Services: Acadiana Center for Youth provides services to youths that have been adjudicated to secure care custody. When a youth arrives in secure care custody, an Individualized Intervention Plan (IIP) is developed for him by a multi-disciplinary team. The IIP is based on a risk-assessment and psychological evaluation and is designed to ensure that the youth receives needed services. The IIP is periodically reviewed and refined in order to ensure that the youth makes continuous progress.
- Implement Supervision Services: The Regions provide probation and parole supervision, residential and non-residential treatment services for adjudicated youth, status offenders and their families while protecting public safety.
